Dear Gary

Thank you so much to you and your team for inviting our families to be a part of such an exciting day on Saturday.

Our families thoroughly enjoyed themselves and asked us to pass on their sincere thanks, particularly for making them feel so special. The events of the day have certainly provided an experience that lasting memories are made of.

Special times without doubt help the families to relax and take 'time out' from the stresses they endure. It was wonderful for them to be out as a family to enjoy the day together.

Once again, thank you for thinking of us

Yours sincerely
